Sun Life to host annual free Give Kids a Smile event

CASA GRANDE - With 1 of 5 children in the United States aged 5 to 11 years and 1 of 7 adolescents aged 12 to 19 years suffering with at least untreated decayed tooth, Give Kids a Smile (GKAS) is an event that will help ensure that your child is not one of them.

So many dental problems can be prevented with regular healthy care of teeth and routine checkups.

That is why Sun Life every year partners with area dentists to provide local communities with an opportunity to get that preventative care with GKAS.

GKAS will be held on Saturday, Feb. 6 from 9 a.m.-12 p.m. at Sun Life (865 N. Arizola Road, Casa Grande). All kids under 18 will be given an exam, and a fluoride varnish. Fluoride is a mineral that helps to prevent tooth decay.

There will also be fun activities and prizes for our young participants.

For more information, or to volunteer at this great event, contact Samantha Reinhard at 520.350.7551.
