Sun Life unveils self-serve kiosk in Casa Grande

CASA GRANDE - Self-serve now has a new meaning at Sun Life Family Health Center.

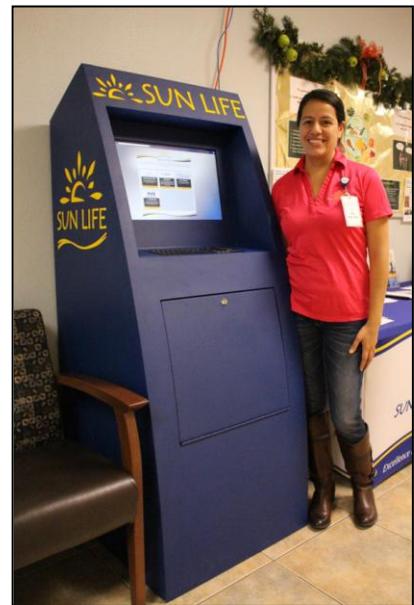

This past October, Sun Life was awarded a \$33,474.40 grant from the Supplemental Nutrition Assistance Program (SNAP) for the 2016 year to help patients and area community members sign up for assistance through SNAP Partnership program. As part of that grant, Sun Life unveiled the first of its kind self-service kiosk this week.

“The kiosk is a wonderful resource for our patients,” explained Sun Life’s Outreach & Enrollment Manager Reyna Villegas. “Without even having to step into one of our offices, patients can use the self-serve kiosk to explore and educate themselves on resources available to them.”

The kiosk’s main screen provides links to websites for programs such as SNAP, Health-E Arizona Plus, Arizona Self Help, Arizona 2-1-1, as well as Sun Life’s website.

And if patients have questions, they are only feet away from an outreach and enrollment specialist who can help them.

“It’s especially helpful for our patients who may not have a computer at home, too” Villegas added. “The kiosk is a convenient way for our patients to apply for these programs before or after seeing their provider.”

“We are always looking for ways to support our patients, and provide resources and tools that help keep our community healthy,” commented Sun Life CEO Travis Robinette. “We appreciate the partnership we have with SNAP, that allows us to continue to follow that mission.”

The kiosk is currently only available at Sun Life’s family practice location on Arizola Road, and can be found opposite the Outreach and Enrollment offices.
